SKILLS

- Proficient with Microsoft Word, Excel, PowerPoint and GoogleSheets
My current work requires the use of the above mentioned programs.
- Programming in python, C++, Java, HTML, CSS, PHP, JavaScript, React, and MySQL.
I have programmed games in Java, and built websites.
- Effective presentation and communication skills
I have given tutorials to Masters Students in Electrical Engineering, and made presentations in my position as a Peer Education Trainer during my NYSC program.
- Ability to work in a team
A seminar presentation I gave on Thermal Transducers was the result of a group effort. My group, which I led, had a score of 100% after the presentation.

HOBBIES

Programming, Reading, writing, Drawing, Playing Chess and Soccer
